

DVLf HEROES Awards – May 17, 2020
Heroes Nomination Form – Deadline: March 15, 2020

The Delaware Valley Legacy Fund (DVLf) is excited to accept nominations for its 13th Annual Heroes Awards.

DVLf Heroes honors people and organizations in our community that have moved us forward with bold ideas/actions, selfless behavior, integrity, and/or courage. Through their character we see heroism, and we see them inspiring others to act heroically, too.

The Heroes Committee and the DVLf Board of Directors need your help in identifying young people, individuals, nonprofits, allies, and businesses who embody these and other similar traits. Anyone can nominate.

DVLf Hero categories include: Adult, Youth, Local Business, Nonprofit, Ally and Lifetime Achievement.

Decisions are based on the quality of the nomination rather than the number of nominations submitted. A person/organization's entire history can be considered with an emphasis placed on heroic activities in the past 12 months, with the exception of the Lifetime Achievement award.

To nominate a Hero, please fill out this two-page form and send to info@dvlf.org. One form per nomination. Self-nominations not accepted.
