

# DVLf

Serving The Greater Philadelphia  
LGBTQ Community Through Philanthropy

# LGBTQ+ LEGACY SERIES

- **Reach members of the LGBTQ+ communities who are actively considering the creation or update to their estate planning**
- **Gain exposure to individuals and couples who are interested in financial, legal, and charitable strategies**
- **Demonstrate alignment with DVLf's community of supporters, their values, priorities, and dedication to building the LGBTQ community**

By attending any number of DVLf's Seminar Series programs, attendees demonstrate an interest in building their estate plans with the advice and counsel from knowledgeable attorneys, financial advisers, and philanthropic leaders. Our panelists provide unbiased presentations designed to inspire, educate, and demystify the process of:

- Writing a will
- Handling life planning documents
- Making financial investment decisions
- Choosing a vehicle for their charitable wishes

While these programs are indeed available for everyone to participate, the Delaware Valley Legacy Fund's (DVLf) Board of Directors wants to emphasize the celebration and elevation of an accessible, useful program that uniquely speaks to members of the region's LGBTQ communities. We invite you to consider joining as a sponsor and potentially later as a panelist in support of our philanthropic and educational mission. You can help build the community through your support of this program.
